(Elizabeth, NJ) September 2013 – Universal Valve Co., service station equipment manufacturer, announced the promotion of Peter Mascis to the position of National Sales Manager. He will be responsible for the development of existing and new sales in the Global marketplace.

“Peter Mascis has been a vital part of the company’s success, and we are looking forward to his success in his new position,” said Robert J. Milo, CEO of Universal valve Co. Peter Mascis joined the company in 1998 as a customer service representative and quickly rose to several supervisory and management positions. “We continue to expand our product line and Peter will play an important role in helping us reach our goals,” stated Martin Pettesch, President of Universal Valve Co.

Peter was the Sales and Operations Manager at Universal Valve Co. for the past 8 years. He has an Associate’s Degree in Drafting and Design and a MSCE Certificate.

For over 80 years Universal Valve Co. has been an industry leader in quality and innovation within the service station industry. You can find all their products online at www.universalvalve.com as well as find them at the 2013 PEI/NACS Show in Atlanta at booth 4825.
