

Proven Performance Since 1932.

ABOVE GROUND MANHOLES

REMOTE FILL/LOCKING FILL BOX

Application -

AST remote fill requirements.

Part Number - 76RF

UNIVERSAL Advantage

Only from Universal! - A superior single post design allows for easy adjustment during installation. A round top structure eliminates snow and rain build-up.

Features -

- ✓ Single pedestal design with one telescoping pipe allows for proper height adjustment
- ✓ Fast installation
- ✓ Round top structure, eliminates all snow and rain build-up
- ✓ Easy draining, with the round contour bottom to eliminate any liquid build-up
- ✓ All steel construction, for rugged strength and security
- ✓ Locking cover, provides security at tank to assure no unauthorized entry
- ✓ Epoxy coating resists hydrocarbons for long life
- ✓ Compatible with E-85

Construction -

- Epoxy coated 12 gauge steel container
- Buna-N seal
